

The President of Latvia answered one request for clemency

 Published more than 5 years ago

Published: 19.06.2019.

On Wednesday, 19 June 2019, President of Latvia Raimonds Vējonis reviewed 25 applications for pardon from the convicted. He answered one of the applications for pardon.

The pardoned individual is completely exempted from serving the basic sentence for a criminal offense against health of an individual.
