

President of Latvia forced to postpone the meeting with President of Romania following a positive COVID-19 rapid test

 Published more than 3 years ago

Published: 14.10.2021.

President of Latvia Egils Levits took the rapid test on 13 October as he returned late night from working visit to the Kingdom of Sweden, and it was positive. He will take the PCR test later today.

President Levits personally contacted H.E. Klaus Werner Iohannis, President of Romania, explained the current situation and asked to move the visit of his Romanian counterpart to another date. Romanian president was planning to visit Latvia on 15-16 October.
